His Majesty  
King Abdallah II  
Amman, Jordan

Your Majesty:

We, the Arab Christian community of the Metropolitan Washington, D.C. area, congratulate Your Majesty on receiving the first "Pope John Paul II Peace Award" in recognition of the campaign to foster tolerance among the world's Religions.

It is through God-loving people and peace activists, such as Your Majesty, that all the Religions of this world can live in peace and harmony.

Respectfully,

Very Rev. Joseph Rahal
